The Close of Discovery is currently set to close on 04/23/2014. Petitioner requests that such date be extended for 30 days, or until 05/23/2014, and that all subsequent dates be reset accordingly.

- *Parties are engaged in settlement discussions*

Petitioner has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Petitioner has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.

#### **PETITIONER'S 7TH REPORT ON SETTLEMENT PROGRESS**

During the current extension, Petitioner received Registrant's proposed revisions to the agreement on April 18, 2014. Registrant is reviewing the proposed revisions. The parties respectfully request a 30 day extension of time.

##### **Issues that have been resolved.**

As stated in Petitioner's first report, the parties agreed in principle to resolve this dispute by entering into a co-existence agreement by which the Registrant agreed to revise its logo design, which is implicated in this proceeding because the specimen of use submitted by Registrant displays the logo design on the product. As stated in Petitioner's previous reports, an agreement is being finalized by the parties.

##### **Issues that remain to be resolved.**

The parties are currently negotiating the remaining terms of the co-existence agreement.

##### **A firm timetable for resolution.**

Barring any extraordinary issues, the parties intend to resolve this matter by May 23, 2013.

Respectfully Submitted,
